“Meet The Masters!”

Every school has at least one activity that the school leadership team organizes that is a huge success year after year in your school. Please consider sharing your story at the BCSLC 2009.

“Meet the Masters” is a 15-20 minute round table discussion led by each school to share what they are doing for their respective student bodies. What is one activity (Air Band, Guitar Hero Contest, Dance Idea, Fundraiser, Intramurals Program, School Spirit initiative, etc.) that drives or represents or inspires your school?

Be a Super Leader and share your school’s story in: *“Meet the Masters!”*
